

# **Ireland: Consulting services for water-supply and waste-water other than for construction Modification to - RFT -167874 - The Preparation of Surface Water Management plans using Storm water Green infrastructure Principles**

Contract or concession award notice – standard regime

## **1 Buyer**

---

### **1.1 Buyer**

*Official name:* Dublin City Council

*Legal type of the buyer:* Local authority

*Activity of the contracting authority:* General public services

## **2 Procedure**

---

### **2.1 Procedure**

*Title:* Modification to - RFT -167874 - The Preparation of Surface Water Management plans using Storm water Green infrastructure Principles

*Description:* This Contract Award Notice is acting as a Modification Notice under Article 72 of 2014/24/EU to RFT -167874 - The Preparation of Surface Water Management plans using Storm water Green infrastructure Principles. This contract involves the Delivery of Surface Water Management Plans using storm water green infrastructure principles for 9 pilot sites in the Dodder and Santry catchments. Undertaking stakeholder engagement at the nine locations at all stages up to planning. The delivery of a stakeholder engagement report, topographical survey, sampling programme for pre and post construction. Submission of Part 8 Planning for apx. 7 of the 9 pilot sites. This mini competition was run from original Framework RFT 128757.

*Procedure identifier:* 23f7cd07-e66f-4218-81d8-b733ec73c632

*Type of procedure:* Open

*Justification for the accelerated procedure:*

*Main features of the procedure:*

#### **2.1.1 Purpose**

*Main nature of the contract:* Services

*Main classification (cpv):* 90713100 Consulting services for water-supply and waste-water other than for construction

#### **2.1.2 Place of performance**

*Country subdivision (NUTS):* Dublin (IE061)

*Country:* Ireland

#### **2.1.4 General information**

*Additional information:* This Contract Award Notice is acting as a Modification Notice under Article 72 of 2014/24/EU to RFT -167874 - The Preparation of Surface Water Management plans using Storm water Green infrastructure Principles. MODIFICATION: Dublin City Council is relying on Article 72.1 Contracts and framework agreements may be modified without a new procurement procedure in accordance with this Directive in any of the following cases: (c) where all of the following conditions are fulfilled: (i) the need for modification has been brought about by circumstances which a diligent contracting authority could not foresee; (ii) the modification does not alter the overall nature of the contract; (iii) any increase in price is not higher than 50% of the value of the original contract or framework agreement. Where several successive modifications are made, that limitation shall apply to the value of each modification. Such consecutive modifications shall not be aimed at circumventing this Directive; Justification for this modification: Unforeseen additional design work was required due to inexperience with this type of project. At the time it was felt

that due to its complexity in design and to produce accurate tender documents, thereby reducing the final construction costs, it was advisable to allow the contractor to use a QS to help create an accurate BoQ. For similar reasons the consultant was asked to act as ER and to supply an RE for the construction phase. The original value of this contract was €234,584.30 ex VAT. The value of the modification is €114,946.31 so the total value of this contract is now €349,530.61 ex. VAT. The modification applied to this contract is 49% of the original contract value in line with the justification contained in Article 72 of Directive 2014/24 EU.

*Legal basis:*

Directive 2014/24/EU

## 5 Lot
