CALL FOR TENDER FOR THE PROVISION OF AUDIOLOGY AND COCHLEAR IMPLANT MEDICAL EQUIPMENT FOR THE NEW CHILDREN'S HOSPITAL, DUBLIN 8

Contract or concession award notice – standard regime

1 Buyer

1.1 Buyer

Official name: National Paediatric Hospital Development Board

Legal type of the buyer: Body governed by public law

Activity of the contracting authority: Health

2 Procedure

2.1 Procedure

Title: CALL FOR TENDER FOR THE PROVISION OF AUDIOLOGY AND COCHLEAR IMPLANT MEDICAL EQUIPMENT FOR THE NEW CHILDREN'S HOSPITAL, DUBLIN 8

Description: The new children's hospital (nch) is currently in construction on a single site at the campus of St James's Hospital to relocate existing services from CHI at Crumlin, Temple Street and the remaining paediatric services from Tallaght University Hospital to the new (nch) facility. The nch will be a tertiary and quaternary facility specialising in advanced paediatric healthcare for the island of Ireland and will also provide primary and secondary care for the greater Dublin area (<https://www.newchildrenshospital.ie>). The cochlear Implant paediatric programme is currently located in Beaumont Hospital alongside the adult cochlear implant programme under the RCSI Hospital Group. Future plans envisage that paediatric surgery, assessment and rehabilitation services will be delivered from the nch. Patients are referred to the Audiology Department in CHI for paediatric diagnostic hearing assessment to determine if a patient has a hearing loss that could impact on communication and / or to monitor hearing when receiving ototoxic medication. Consequently, state of the art equipment is required to ensure the best possible service is provided. It is imperative that equipment is sustainable, modern, robust, and reliable, and where possible contributes to improved workflow and better patient outcomes.

Procedure identifier: d8044853-6cf2-4fa1-96ec-1b0ae4a0df4e

Previous notice: 7cd2bd95-19c8-4b20-b2cd-d72c8af16b0f-01

Internal identifier: M-Files ID 225

Type of procedure: Open

Justification for the accelerated procedure:

Main features of the procedure:

2.1.1 Purpose

Main nature of the contract: Supplies

Main classification (cpv): 33121400 Audiometers

Additional classification (cpv): 32342400 Acoustic devices

Additional classification (cpv): 33185200 Cochlear implant

Additional classification (cpv): 38434200 Sound-measuring equipment

2.1.2 Place of performance

Country: Ireland

Anywhere in the given country

2.1.3 Value

Estimated value excluding VAT: 450 000 Euro

2.1.4 General information

Legal basis:

Directive 2014/24/EU

5 Lot

5.1 Lot technical ID: LOT-0001

Title: Lot 1: Clinical Audiometer 1.5 and 2 Channel Solution

Description: The new children's hospital (nch) is currently in construction on a single site at the campus of St James's Hospital to relocate existing services from CHI at Crumlin, Temple Street and the remaining paediatric services from Tallaght University Hospital to the new (nch) facility. The nch will be a tertiary and quaternary facility specialising in advanced paediatric healthcare for the island of Ireland and will also provide primary and secondary care for the greater Dublin area (<https://www.newchildrenshospital.ie>).
