2.1 Procedure

Title: Research Grant Management/Current Research Information Systems (RGM-CRIS) and Associated Services and Support

Description: This is a re-publication of the original contact award notice ref. 191451-2020 due to an administrative error. Research Grant Management/Current Research Information Systems (RGM-CRIS) and associated services and support. The Education sector in Ireland has an ongoing requirement for RGM-CRIS services across the country. The purpose of this framework agreement is to allow HEAnet and its member institutions purchase RGM-CRIS services, including support and value-added services (hereafter referred to as the Required Services) in support of operations. Cloud/managed hosted solutions are sought. Tenderers may also provide information in relation to customer-hosted solutions. Self-hosted solutions will not form a part of the evaluation process for admittance to the framework. It is intended to set up a multi-supplier, multiple lot framework. Allocation of value distributed between the lots may vary. Total value of Framework €10M as per the contact notice 584217-2019.
