Title: TII404 Signs Programme_Framework Agreement 2024

Description: Transport Infrastructure Ireland (TII) is seeking to establish a Framework Panel for the Signs Installation Programme incorporating, but not limited to: The provision of road signs and ancillary works on single, dual carriageway and motorway sections of the national and non-national road network as well as signs asset maintenance which are to be outlined in Works Contracts issued during the duration of the Framework Agreement. In order to fulfill this requirement, TII will use an open procurement procedure to appoint a number of tenderers to the Framework Agreement ensuring the availability of a panel of suitably qualified Contractors, capable of executing and completing signage works/projects of varying sizes and degrees of complexity on various National Primary and Secondary Routes and Non-National Roads. Note that the award criterion to be used to establish this panel is based on the Technical Merit only as outlined in the tender documents. There is no price criterion in this competition, tenderer shall be assessed on their Technical submission with the top six ranked tenderers being placed on a panel.
