2 Procedure

2.1 Procedure

Title: the Development of Accredited Programmes in Artificial Intelligence (AI)

Description: With a focus on the development of digital skills for employees and enterprises in a range of sectors in the Irish economy, SOLAS is now seeking: 1. To design, develop and support the delivery of FET micro-qualifications, accredited by QQI at levels 5 and 6, in skills areas related to Artificial Intelligence (AI). 2. The development of associated learning and assessment resource materials. 3. Design and delivery of a one-day Train the Tutor programme for each skills' area and related briefing sessions. These FET Micro-qualifications will be capable of delivery through blended, in-person and online modes. These micro-qualifications will equip employees with an understanding of how to apply artificial intelligence to business functions in their workplaces. SOLAS encourages contractors to consider how best to design and offer these learning opportunities so that participants have opportunities to engage in meaningful and experiential learning.
