

IRELAND: CONSTRUCTION WORK

AWARD OF CONTRACT TO JOHN CRADOCK LTD FOR URGENT REFURBISHMENT WORKS TO KEARNS BRIDGE, KILMAINHAM

Contract or concession award notice – standard regime

1 Buyer

1.1 Buyer

Official name: Dublin City Council

Legal type of the buyer: Local authority

Activity of the contracting authority: General public services

2 Procedure

2.1 Procedure

Title: Award of contract to John Cradock Ltd for urgent refurbishment works to Kearns Bridge, Kilmainham

Description: This contract was awarded under Article 32.2 (c) of Directive 2014/24/EU - The negotiated procedure without prior publication may be used for public works contracts, public supply contracts and public service contracts in any of the following cases: (c) In so far as is strictly necessary where, for reasons of extreme urgency brought about by events unforeseeable by the contracting authority, the time limits for the open or restricted procedures or competitive procedures with negotiation cannot be complied with. The circumstances invoked to justify extreme urgency shall not in any event be attributable to the contracting authority. This contract involved Emergency Works to Kearns Bridge, Kilmainham consisting of preliminaries, bridge repair works, parapet renewal works, permanent diversion of existing services, new services, roadworks. Contract awarded following a negotiated procedure without prior publication under Article 32. Following the Principal Inspections carried out on all Dublin City Council bridges using the TII Eirspan Bridge Management Principal Inspection Manual dated September 2022 (Ref AM-STR-66054) the only Bridge with a Structure in General Condition Rating of 4 was Kearns Bridge in Kilmainham. The TII manual states in section 3.2 that where the condition rating is 4 that "damage is critical and it is necessary to execute repair works at once". The main damage was significant loss of the main bottom tension reinforcement in the main deck slab due to corrosion. There was also a high risk that the unreinforced cracked brick parapets will collapse in a flood and cause flooding to the adjacent properties in Kearns Place and Rowserstown Lane. The bridge carries watermains, electrical services and media cables and a bridge failure will cause loss of these essential services.

Procedure identifier: 51306357-ce6f-4da4-9fdf-8c641418714f

Type of procedure: Negotiated without prior call for competition

Justification for the accelerated procedure:

Main features of the procedure:

2.1.1 Purpose

Main nature of the contract: Works

Main classification (cpv): 45000000 Construction work

2.1.2 Place of performance

Country subdivision (NUTS): Dublin (IE061)

Country: Ireland

2.1.4 General information

Legal basis:

Directive 2014/24/EU

5.1 Lot technical ID: LOT-0001
