

Ireland: Engineering design services for the construction of civil engineering works Contract for the Provision of Design Services and the Role of Project Supervisor Design Process (PSDP) services for the Construction and close out phases of the Dodder Greenway - Beatty's Avenue to Herbert Park Scheme.

Contract or concession award notice – standard regime

1 Buyer

1.1 Buyer

Official name: Dublin City Council

Legal type of the buyer: Local authority

Activity of the contracting authority: General public services

2 Procedure

2.1 Procedure

Title: Contract for the Provision of Design Services and the Role of Project Supervisor Design Process (PSDP) services for the Construction and close out phases of the Dodder Greenway - Beatty's Avenue to Herbert Park Scheme.

Description: This contract has been directly awarded via the negotiated procedure without prior call for competition relying on the grounds outlined in Article 32 2(b)(ii) and Section 2 (c) of Directive 2014/24/EU. Article 32 Section 2(b) (ii) states that The negotiated procedure without prior publication may be used for public works contracts, public supply contracts and public service contracts in any of the following cases: where the works, supplies or services can be supplied only by a particular economic operator for any of the following reasons: ii. competition is absent for technical reasons and section 2 C states The negotiated procedure without prior publication may be used for public works contracts, public supply contracts and public service contracts in any of the following cases: c. in so far as is strictly necessary where, for reasons of extreme urgency brought about by events unforeseeable by the contracting authority, the time limits for the open or restricted procedures or competitive procedures with negotiation cannot be complied with. The circumstances invoked to justify extreme urgency shall not in any event be attributable to the contracting authority. Aecom in their role as the National Transport Authority (NTA) Cycle Design Office were contracted by the NTA to carry out Consultancy Services for the Dodder Greenway – Beatty's Ave to Herbert Park on behalf of Dublin City Council Active Travel. The NTA Task Order dated July 2023 included PSDP and Consultancy Services for the delivery of the scheme through Phases 6 & 7: Construction and Close Out. Aecom completed the Detailed Design stage and the tender documents used for a request for tender's competition for a construction stage contractor, this was issued on eTenders on July 11th 2024. It is anticipated that this contract will be awarded in October 2024 with construction to begin on site soon afterwards. Tender documents were completed in November 2023, however the project experienced significant delays to date and progress was halted due to its interaction with a NTA Bus Connects Junction on Merrion Road whose separate planning process was with An Bord Pleanála until June 2024. These delays resulted in the request for Tender not being issued until July 11th 2024. Due to the lapse of time there is now no live NTA Task Order with Aecom as the contract with the NTA has ended on August 31st 2024. Construction had been anticipated to be complete in Q1/Q2 2024 and thus the NTA Task Order reflected these dates. This leaves Dublin City Council Active Travel Office without designer or PSDP support for the Construction and Close Out stages of the scheme Aecom are uniquely placed to carry out the designer support and PSDP services required for this scheme due to their role as designer to date and their familiarity with the scheme, this also presents likely issues with other designers willingness to take up these roles. Changing supplier for these services at this time would lead to significant delays and increased costs for the scheme. Aecom's continuation in the roles of designer support and PSDP is the best course of action to ensure there is best possible value-for-money achieved with public funds and

is the most efficient use of DCC internal resources. Therefore, DCC Active Travel Office proposes to engage Aecom directly to provide the required design support and PSDP services during the Construction and Close Out stages of the Dodder Greenway – Beatty's Ave to Herbert Park scheme.

Procedure identifier: 81c89ef7-facd-4f6d-bf2f-bc14145482d5

Type of procedure: Negotiated without prior call for competition

Justification for the accelerated procedure:

Main features of the procedure:

2.1.1 Purpose

Main nature of the contract: Services

Main classification (cpv): 71322000 Engineering design services for the construction of civil engineering works

2.1.2 Place of performance

Country subdivision (NUTS): Dublin (IE061)

Country: Ireland

2.1.3 Value

Estimated value excluding VAT: 80 000 Euro

2.1.4 General information

Legal basis:

Directive 2014/24/EU

5 Lot

5.1 Lot technical ID: LOT-0001

Title: Contract for the Provision of Design Services and the Role of Project Supervisor Design Process (PSDP) services for the Construction and close out phases of the Dodder Greenway - Beatty's Avenue to Herbert Park Scheme.

Description: This contract has been directly awarded via the negotiated procedure without prior call for competition relying on the grounds outlined in Article 32 2(b)(ii) and Section 2 (c) of Directive 2014/24/EU. Article 32 Section 2(b) (ii) states that The negotiated procedure without prior publication may be used for public works contracts, public supply contracts and public service contracts in any of the following cases: where the works, supplies or services can be supplied only by a particular economic operator for any of the following reasons: ii. competition is absent for technical reasons and section 2 C states The negotiated procedure without prior publication may be used for public works contracts, public supply contracts and public service contracts in any of the following cases: c. in so far as is strictly necessary where, for reasons of extreme urgency brought about by events unforeseeable by the contracting authority, the time limits for the open or restricted procedures or competitive procedures with negotiation cannot be complied with. The circumstances invoked to justify extreme urgency shall not in any event be attributable to the contracting authority. Aecom in their role as the National Transport Authority (NTA) Cycle Design Office were contracted by the NTA to carry out Consultancy Services for the Dodder Greenway – Beatty's Ave to Herbert Park on behalf of Dublin City Council Active Travel. The NTA Task Order dated July 2023 included PSDP and Consultancy Services for the delivery of the scheme through Phases 6 & 7: Construction and Close Out. Aecom completed the Detailed Design stage and the tender documents used for a request for tender's competition for a construction stage contractor, this was issued on eTenders on July 11th 2024. It is anticipated that this contract will be awarded in October 2024 with construction to begin on site soon afterwards. Tender documents were completed in November 2023, however the project experienced significant delays to date and progress was halted due to its interaction with a NTA Bus Connects Junction on Merrion Road whose separate planning process was with An Bord Pleanála until June 2024. These delays resulted in the request for Tender not being issued until July 11th 2024. Due to the lapse of time there is now no live NTA Task Order with Aecom as the contract with the NTA has ended on August 31st 2024.

Construction had been anticipated to be complete in Q1/Q2 2024 and thus the NTA Task Order reflected these dates. This leaves Dublin City Council Active Travel Office without designer or PSDP support for the Construction and Close Out stages of the scheme. Aecom are uniquely placed to carry out the designer support and PSDP services required for this scheme due to their role as designer to date and their familiarity with the scheme, this also presents likely issues with other designers willingness to take up these roles. Changing supplier for these services at this time would lead to significant delays and increased costs for the scheme. Aecom's continuation in the roles of designer support and PSDP is the best course of action to ensure there is best possible value-for-money achieved with public funds and is the most efficient use of DCC internal resources. Therefore, DCC Active Travel Office proposes to engage Aecom directly to provide the required design support and PSDP services during the Construction and Close Out stages of the Dodder Greenway – Beatty's Ave to Herbert Park scheme.

Additional information:

5.1.5 Value

Estimated value excluding VAT: 80 000 Euro

5.1.6 General information

Procurement Project not financed with EU Funds.

The procurement is covered by the Government Procurement Agreement (GPA): no

5.1.7 Strategic procurement

Aim of strategic procurement: No strategic procurement

5.1.10 Award criteria

Criterion:

Type: Cost

Name:

Description: Cost @100%

Weight (percentage, exact): 100

Description of the method to be used if weighting cannot be expressed by criteria:

Justification for not indicating the weighting of the award criteria:

5.1.15 Techniques

Framework agreement:

No framework agreement

Information about the dynamic purchasing system:

No dynamic purchase system

5.1.16 Further information, mediation and review

Review organisation: The High Court of Ireland

Organisation providing additional information about the procurement procedure: Dublin City Council

Organisation signing the contract: Dublin City Council

TED eSender: European Dynamics S.A.

Value of all contracts awarded in this notice: 80 000 Euro

Direct award:

Justification for direct award: Extreme urgency brought about by events unforeseeable for the buyer

Other justification: Aecom in their role as the National Transport Authority (NTA) Cycle Design Office were contracted by the NTA to carry out Consultancy Services for the Dodder Greenway – Beatty's Ave to Herbert Park on behalf of Dublin City Council Active Travel. The NTA Task Order dated July 2023 included PSDP and Consultancy Services for the delivery of the scheme through Phases 6 & 7: Construction and Close Out. Aecom completed the Detailed Design stage and the tender documents used for a request for tender's competition for a construction stage contractor, this was issued on eTenders on July 11th 2024. It is anticipated that this contract will be awarded in October 2024 with construction to begin on site soon afterwards. Tender documents were completed in November 2023, however the project experienced significant delays to date and progress was halted due to its interaction with a NTA Bus Connects Junction on Merrion Road whose separate planning process was with An Bord Pleanála until June 2024. These delays resulted in the request for Tender not being issued until July 11th 2024. Due to the lapse of time there is now no live NTA Task Order with Aecom as the contract with the NTA has ended on August 31st 2024. Construction had been anticipated to be complete in Q1/Q2 2024 and thus the NTA Task Order reflected these dates. This leaves Dublin City Council Active Travel Office without designer or PSDP support for the Construction and Close Out stages of the scheme Aecom are uniquely placed to carry out the designer support and PSDP services required for this scheme due to their role as designer to date and their familiarity with the scheme, this also presents likely issues with other designers willingness to take up these roles. Changing supplier for these services at this time would lead to significant delays and increased costs for the scheme. Aecom's continuation in the roles of designer support and PSDP is the best course of action to ensure there is best possible value-for-money achieved with public funds and is the most efficient use of DCC internal resources. Therefore, DCC Active Travel Office proposes to engage Aecom directly to provide the required design support and PSDP services during the Construction and Close Out stages of the Dodder Greenway – Beatty's Ave to Herbert Park scheme. As noted in section 1 of this document, this procurement falls inside the scope of Article 32 of Directive 2014/24/EU, specifically Section 2(b)(ii): 2. The negotiated procedure without prior publication may be used for public works contracts, public supply contracts and public service contracts in any of the following cases: b. where the works, supplies or services can be supplied only by a particular economic operator for any of the following reasons: ii. competition is absent for technical reasons; And Section 2 (c): 2. The negotiated procedure without prior publication may be used for public works contracts, public supply contracts and public service contracts in any of the following cases: c. in so far as is strictly necessary where, for reasons of extreme urgency brought about by events unforeseeable by the contracting authority, the time limits for the open or restricted procedures or competitive procedures with negotiation cannot be complied with. The circumstances invoked to justify extreme urgency shall not in any event be attributable to the contracting authority.
