2.1.4 General information

Additional information: A contract was awarded to Cairn Construction on 11/05/2022 at a value of €510,426.15. Park Services are undertaking conservation repair and maintenance works to the historic Georgian-era railings around Mountjoy Square Park, which is a designated conservation area. The wrought iron railings there are an original component of this 200 year old park's boundary and are in poor condition. Their conservation and repair forms part of the parks Conservation Plan which DCC Park Services have adopted and includes craftsmanship repair to the metal railings and granite stone plinths. To advance conservation repair works in a timely and efficient manner further additional works are intended to be instructed under the current restoration contract which will entail an additional 60m

of railings being restored. This modification is justified under Article 72 of EU Directive 2014/24/EU whereby contracts may be modified without a new procurement procedure in accordance with this Directive under 7.2.1(b) for additional works, services or supplies by the original contractor that have become necessary and that were not included in the initial procurement where a change of contractor: (i) cannot be made for economic or technical reasons such as requirements of interchangeability or interoperability with existing equipment, services or installations procured under the initial procurement; and (ii) would cause significant inconvenience or substantial duplication of costs for the contracting authority. The value of the Modification is €250,000 the value of the contract after modification is 760426.15 Dublin City Council confirms that the value of the modification does not exceed 50%
