Title: Direct Award of Contract for Emergency Remedial Works River Camac, Tyrconnell Street, Dublin 8.

Description: Emergency Remedial Works are required to address the collapse of the River Camac Wall bounding Tyrconnell Street, Inchicore, Dublin 8. The debris from the collapse was partially blocking the river channel. Further collapse of adjacent structures into the river channel coupled with a storm event may have resulted in significant flooding of residential properties in the surrounding area. Furthermore there were public health and safety risks associated with the existing and potential further collapse of these structures. The scope of the remedial works consists of the following: • Mobilisation and site preliminaries • Undertaking the PSDP and PSCS roles. • Enabling works. • Removal of in river debris. Temporary propping • Construction of mass concrete retaining wall up to 4.0m high. • Supply and installation of ground anchors. • Cast new concrete culvert walls. • Install galvanised steel culvert roof beams. • Place scour protection along river wall. • Project Management • Reinstatement and landscaping.

Value of all contracts awarded in this notice: 195 000 Euro

Direct award:

Justification for direct award: Extreme urgency brought about by events unforeseeable for the buyer

Other justification: On 06/01/25 Dublin City Council's Flood Defence Projects Office was notified of a collapse of the River Camac Wall bounding Tyrconnell Street, Inchicore, Dublin 8. The wall was supporting the southern side of a 2 storey terrace house and its conservatory. It was at imminent risk of collapse into the river. The adjacent culvert roof support beams and wall also collapsed in the bank failure. The debris from the collapse was partially blocking the river channel. Further collapse of these structures into the river channel coupled with a storm event may have resulted in significant flooding of residential properties in the surrounding area. Furthermore there were public health and safety risks associated with the existing and potential further collapse of these structures. Article 32 (2) (c) of Directive 2014/24/EU states that the negotiated procedure without prior publication may be used for public works, supply and services contract in so far as strictly necessary where, for reasons of extreme urgency brought about by events unforeseeable by the contracting authority, the time limits for the open or restricted procedures or competitive procedures with negotiation cannot be complied with. The circumstances invoked to justify extreme urgency shall not in any event be attributable to the contracting authority. The Flood Defence Projects Office deems these remedial works to be of extreme urgency resulting from events unforeseeable to Dublin City Council
