6 Results

Value of all contracts awarded in this notice: 74 500 Euro

Direct award:

Justification for direct award: The contract can be provided only by a particular economic operator because of exclusive rights, including intellectual property rights

Other justification: Direct award of contracts in case of sole supplier situation is permitted under Regulation 32 of the European Union (Award of Public Authority Contracts) Regulations 2016. In this case, the required services can be performed only by Elsevier. The RSA is therefore satisfied that while the value of the contract is below the EU threshold, the sole supplier situation permitted under regulation 32 can be applied by analogy
