2.1 Procedure

Title: Provision of Cloud Advisory and Cloud Implementation Services

Description: The EPA is currently on a journey of cloud adoption. To help the EPA understand certain elements of cloud migration, it has been identified that an external advisory service is required to provide additional expertise. The EPA will need guidance on specific areas during their cloud adoption, where documented advice/recommendations will be sought from the successful tenderer. The EPA will also in certain circumstances require assistance from the successful tenderer in implementing the work resulting from decisions made following receipt of the advice/recommendations. Therefore, this tender is seeking a service with a single vendor to provide Cloud Advisory and Cloud Implementation assistance to the EPA.
