5.1.10 Award criteria

Criterion:

Type: Cost

Description: Most economically advantageous tender

Description of the method to be used if weighting cannot be expressed by criteria: Where weighting cannot be expressed against individual award criteria, tenders will be evaluated using an overall comparative assessment of the award criteria as a whole. Each criterion will be assessed on its merits against the stated requirements. The evaluation panel will then apply a structured professional judgement to determine the relative importance of each criterion in the context of the overall quality of the tender.
