2.1 Procedure

Title: Wide Load Gate & Associated Works at Killybegs FHC, Co. Donegal 2026

Description: Under the Department of Agriculture, Food and the Marine's 2026 Capital Works Programme, it is proposed to rearrange the current gate system at the Main Harbour entrance and exit to enable wide load use of the gates; this will allow the Harbour to cope with bespoke wide loads that may be leaving or arriving at the Harbour. These works will 'future proof' the entrance and exit to and from the Harbour as items arriving for distribution as well as items being loaded onto vessels on the pier change and at times are wider than the current gate systems allow.
