2 Procedure

2.1 Procedure

Title: 22/004 - Enterprise Application Management Framework

Description: Gas Networks Ireland (GNI) intends to procure IT Applications Maintenance, Support and Development Services for its enterprise applications. GNI has a broad estate of applications, which are critical to the day-to-day operation of our business. GNI require a service provider to support, maintain and deliver change to our application estate and such services will be aligned IT industry best practice with a strong quality assurance focus. Please note that the composition of GNI's application estate will likely be subject to change during the lifetime of the service and the service will evolve to meet these changing business needs in accordance with the specific agreed terms of the service. GNI will build a strong working relationship with the successful service provider, who will work in collaboration with our in-house IT teams.
