Title: Castlebar R373 Active Travel Scheme

Description: Mayo County Council are seeking to appoint a Consultant for the delivery of the Castlebar R373 Active Travel Scheme. Castlebar R373 Active Travel Scheme will introduce new, safe and high-quality active travel infrastructure which will link up to/extend the existing network, resulting in a better-connected active travel network for Castlebar. Two No. Safe Routes To Schools (SRTS) lie within the Project Study Area. The Safe Routes To School Programme is designed to encourage as many pupils and students as possible in primary and post-primary schools to walk and cycle. This Project will provide continuous improved high-quality pedestrian and cyclist facilities, connecting the residential and employment areas along the North-East of R373 to schools and town centre. The Scheme will provide access to the developing active travel route travelling North to South of the town via R309 Moneen Roundabout (R309 Moneen Roundabout will be upgraded under the other developing Project). This tie-in will further connect schools, residential, employment, industry and town centre. The route will connect to proposed active travel infrastructure allowing access to existing greenfield sites zoned for Strategic Residential Reserve/New Residential along the length of the R309. The route will introduce public realm improvements and increased accessibility to public transport hubs.
