2.1 Procedure

Title: From NTA Framework 1801136 Engineering Consultancy Services for Pedestrian Facilities on the R520

Description: The project involves assessing the feasibility and options for the design of pedestrian facilities on the R520. The location of the 500m length of the project is as shown in Appendix A. There are currently no pedestrian facilities on the R520 exiting Newcastle West on the Bruff Line. There are significant constraints including adjoining watercourse and existing horizontal alignment. The initial step in Phase 2 will be to assess the feasibility and possible options for pedestrian facilities at this location. The emerging preferred option will be progressed to preliminary design in Phase 3 of the project and the documents for the appropriate statutory process will be prepared in Phase 4
