Title: CFT 3793 - Mini competition for Tallaght to Clondalkin Cycle Scheme – Phase1 (Belgard Road and Airtown Road) under the MPFA for SDCC Roadworks and Active Travel Framework – Works Contractor and as PSCS

Description: Provide a rapid deployment cycle segregation on Belgard Road from Tallaght, Old Blessington Road Junction to Cookstown Road Junction, where possible, as part of a quick delivery phase of the scheme. This will include permanent upgrade of the TU Dublin Roundabout and the Mayberry Road junction. This marks the initial stage of the Tallaght to Clondalkin Cycle Scheme. This will involve segregation of cyclists from traffic by constructing a new in-situ concrete kerb, the cycle track would be widened into the verges to provide a 2m width (similar to what has been done previously on Templeville Road). This requires a relocation of road gullies to suit the new kerb arrangements.
